2. WELCOME TO THE SYNDICATE

2.1 Overview

This PDS offers prospective investors the opportunity to acquire Shares in a specific thoroughbred horse (**Horse**). By holding Shares in the Horse and participating as a member of the Syndicate, investors spread both the expense and risks associated with racehorse ownership.

The arrangements the subject of this PDS satisfy the definition of a managed investment scheme prescribed by section 9 of the Corporations Act, although the Syndicate is not required to be established and operated as an ASIC-registered managed investment because:

- (a) the arrangements are eligible for the relief afforded by the ASIC Instrument from the statutory provisions requiring registration; and
- (b) this PDS has been approved by RNSW in its capacity as a lead regulator.

2.2 Structure of Syndicate

The Syndicate is structured as a typical co-ownership contract-based "common enterprise" arrangement and relates solely to the Horse the subject of this PDS.

Co-ownership is the most common legal form of racehorse ownership involving 2 or more people. A horse racing syndicate based on co-ownership inevitably involves the joint participation by all the Owners, as tenants-in-common, in a commercial enterprise for the common purpose of using the horse "as a whole" for racing with the objective of earning income (winning prize money) for the benefit of the group, and hence is a **common enterprise**.

The legal and equitable title to the Horse is divided into 20 equal undivided Shares, which are held by the Owners as tenants-in-common.

The provisions of the Owners Deed will govern the relationship between the Owners. A copy of that document is included in this PDS as **attachment A**.

The Owners will be bound by the "Owners Deed" and the "Training Agreement", including the "Fees Notice", from the Commencement Date by virtue of having signed the Share Application Form, and the people named in Part 2.8 [as the Manager] and Part 2.11 [as the Trainer] will be deemed to have been appointed on the Commencement Date to operate the Syndicate on the Owners' behalf.

The Owners will also be bound by the "policy provisions" of any insurance cover that may be procured by the Manager on the Owners' behalf [see Part 2.14].

2.3 How the Syndicate Works

The realities of the Syndicate as it is designed to operate in practice are:

- (1) People contribute money to acquire proportionate ownership interests in the Horse, as tenants-in-common, on the basis that they will simultaneously:
 - (a) assume various obligations, including to contribute:
 - (i) their individual ownership interests in the Horse to be used in a common enterprise (Syndicate) so that the Manager, as an operator of the Syndicate, can manage all of them in common [the Horse "as a whole"] on behalf of the group; and
 - (ii) money (on an ongoing basis) towards the Syndicate's operating expenses in the same proportions as the ownership interests held;as consideration to acquire rights (interests) to benefits produced by the Syndicate; and
 - (b) acquire rights (interests) to benefits produced by the Syndicate, including to:
 - (i) participate as members of the Syndicate for the purpose of all the Owners using the Horse "as a whole" for racing with the objective of earning income for the benefit of the group [benefits derived as the holders of rights or interests in property]; and

- (ii) receive any Income in the same proportions as the ownership interests held [financial benefits produced by the Syndicate];
- (2) Each Owner's individual ownership interest is inseparable and therefore incapable of being separately managed from the interests of the other Owners and the Horse "as a whole". Furthermore, individual Owners do not have a right to actual possession and control of the horse "as a whole".
- (3) The right of Owners to separately manage their individual ownership interests is:
 - (a) subordinated to the rights of the Owners collectively and the authority of the Manager and the Trainer [with actual possession and control of the Horse "as a whole"] to operate aspects of the Syndicate on behalf of the group; and
 - (b) limited to voting on those matters specified in the relevant Owners Deed or Training Agreement as requiring the Owners' approval (by the requisite majority).
- (4) Practical necessity and the ARR require that the Owners:
 - (a) agree to:
 - (i) appoint the Manager to control and direct aspects of the Syndicate's operations, including those relating to its legal structure and administration, dealings with racing officialdom, the Trainer and other service providers, as required, on behalf of the group [in accordance with the provisions of the Owners Deed and the Rules of Racing]; and
 - (ii) the Manager on behalf of the group appointing the Trainer, including agreeing to the terms of the Trainer's Training Agreement and Fees Notice, to take actual possession and control of the Horse "as a whole" for the purpose of providing training services, managing or carrying out those activities that collectively comprise the act of training a racehorse [in accordance with the terms of the Training Agreement and the Rules of Racing]; and

delegate to them the authority to operate aspects of the Syndicate on behalf of the group; and

 - (b) surrender day-to-day control over their individual ownership interests to the Manager so that the Manager can manage them in common [the Horse "as a whole"] for the benefit of the group, (whether or not they have the right to be consulted or give directions).

Compulsory Notice – required by the terms of the ASIC Instrument

An Owner may elect to have the Horse tested for a prohibited substance under the Rules of Racing, with the cost of the testing to be borne by all participants (whether or not they elected to have the Horse tested).

2.4 The Horse

The Horse the subject of this PDS is identified as follows:

Name	RETORT (IRE)
Colour	Bay
Sex & DOB	Gelding, foaled (NH) 2021

Prospective investors should be aware that the Offeror may retain any number of Shares and participate as a member of the Syndicate. If the Offeror retains any Shares:

- (a) this will be disclosed to investors; and
- (b) the Offeror will have the same rights and obligations as the Owner of such Shares as any other Owner, notwithstanding that the Offeror is also acting in another capacity under the Owners Deed.

Upon the 20 (5%) Shares offered under this PDS being fully subscribed, the Promoter will:

- (a) apply the Application Money to payment of the Sale Price to the Offeror;
- (b) obtain from the relevant Offeror the Vendor Release Statement and release of any Personal Property Security Interest; and
- (c) ensure that the Owners hold the legal and equitable title to the Horse, free of any encumbrance, subject to the provisions of the Owners Deed.

Within 7 days of the payment of the Sale Price, the Promoter will issue Shares numbered 1 to 20 inclusive and allot them to the Owners.

All Applicants allotted Shares must execute and provide to the Manager an Application Deed in the form of Schedule 2 of the Owners Deed.

Within 45 days of the Syndicate being fully subscribed, the Promoter will apply to the Registrar of Racehorses to register the Horse in the names of the Owners.

2.6 What happens if insufficient money is raised?

This PDS will expire 6 months from its issue date, or such earlier date as the Promoter may determine (**Offer Closing Date**).

If there are insufficient applications for the 20 (5%) Shares being offered under this PDS (**Minimum Overall Subscription**) by the Offer Closing Date the Syndicate will not proceed and all Application Money received will be refunded.

Until the Minimum Overall Subscription is achieved, the Application Money received will be held in a trust account designated for Application Money. Such money will not be invested in an interest-bearing account and no interest will be paid to the applicants by the Promoter.

Shares will be issued once the Minimum Overall Subscription is achieved.

However, the final decision as to the name of the Horse will be made by the Manager, at its discretion, in consultation with the Registrar of Racehorses. ○ (Racebook) Each Owner of 5% or more of the Horse will be entitled to be named in the racebook as a co-owner of the Horse. If a Share is held by 2 or more people jointly, the Manager may require you to register a syndicate and to hold the Share in the name of that Syndicate. The registered manager of that syndicate: <ul style="list-style-type: none"> • will hold the Share as trustee for the other members of that syndicate; • will represent them in all dealings relating to the ownership of the Horse; and • will be responsible for ensuring that they comply with their collective obligations as the Owner of a Share under the Owners Deed. ○ (Enclosure Ticketing) Race Clubs currently normally provide for a maximum of 20 owners enclosure tickets only on race day. On some race days, owners’ enclosure ticketing is restricted, in which case the Manager will ballot the available tickets amongst the Owners intending to attend on race day.
Communications	The Manager will ensure that the Owners receive regular reports on the Horse’s progress, including pre-race and post-race reports, video, audio and photo updates.

5. WHAT ARE THE RISKS OF INVESTING IN THE SYNDICATE?

5.1 Risk Overview

All investments involve a degree of risk. These risks include (without limitation):

- (a) those associated with the Syndicate, including inherent risks and other risks that may be insignificant or not reasonably foreseeable;
- (b) those that apply to investments generally;
- (c) those that are associated with the Manager; and
- (d) those that individual investors may face.

While a number of these risks are explained below, you should:

- read the whole of this PDS to fully appreciate these matters;
- think about your tolerance to risk and how the potential investment risks of this Syndicate may affect you; and
- seek your own independent legal, financial and tax advice before deciding to invest.

5.2 Specific risks associated with the Syndicate

Investment in racing thoroughbred horses is of a speculative nature.

Risks specifically associated with the Syndicate include (without limitation):

- (a) Owners will incur significant expense without the assurance of any financial return;
- (b) there is no guarantee or assurance as to the racing ability of the Horse or that it will progress to winning any races or Prize money;
- (c) the Horse may die, or its suitability for racing or subsequently for breeding may be diminished or lost through market forces or the materialisation of an inherent risk, including (without limitation) accident, illness, infertility or sub-fertility, injury or natural cause, or other risk that may be insignificant or not reasonably foreseeable;
- (d) if the Horse is an Entire (a male horse that has not been gelded), it may require gelding. Most male racehorses are gelded either for physical considerations or in an effort to modify behaviour to enhance racing performance. However, even if the Horse is permitted to remain an Entire, a residual value as a stallion is not assured; and
- (e) racing stables, racecourses and other places where the Horse may be located from time to time can be dangerous places, including because horses do not always behave as expected. Entering onto those places involves the risk of injury, accident and loss or damage to person or property for all persons who enter.

Owners should also anticipate that the value of the Shares will fluctuate during the Term of the Syndicate and that there will be no ready market for the Shares.

(Payment obligations) As a participant in a co-ownership arrangement (Common Enterprise), you should be aware that:

- (a) an Owner's Share, or the Horse, may be lawfully sold if all the Owners do not pay their respective proportions of the Syndicate's operating expenses when due; and
- (b) the failure of any Owner to comply with that Owner's payment obligations to the Trainer may result in the Trainer stopping or suspending training of the Horse (including entering it for any race or trial), even though the other Owners are complying with their payment obligations.

(Industry conditions) Changes in the thoroughbred horse racing industry or market conditions could have a positive or negative impact on your investment during the time that you are an Owner, including level of Prizemoney on offer.

It is also possible that restrictions on the racing of thoroughbred horses, or an outright ban on horse racing, could occur in any or all the Australian states and territories in which the Horse may be raced. If that occurs, you may lose all your investment, there will be no further Prizemoney and there may be times when you are still required to pay the expenses associated with the maintenance and welfare of the Horse.

5.3 General Investment Risks

The Syndicate will be exposed to the direct and indirect consequences of changes in the state of the economy generally, including inflation risks, interest rates, market and investment sentiment and other changes in the economic factors that affect an industry or market sector, as well as other factors over which the Manager has no control.

Legal, taxation and regulatory changes in the Australian investment environment, as well as changes in State or Federal Government policy may occur during the time that you are an Owner.

5.4 Manager Risks

(Dependence on the Manager) The Manager is obliged to manage the Syndicate and to ensure the efficient day-to-day operation of the Syndicate. If it fails to do so, then the Owners have the right to appoint an alternate third-party manager. There are risks attached to the Owners' dependence on the Manager, including:

- (a) reliance on the skill and expertise of the Manager to manage the Syndicate, as well as the manner in which these functions are carried out;
- (b) the way in which the Manager performs these functions may affect the returns to Owners; and
- (c) changes in the personnel of the Manager which may reduce its skill level in managing the Syndicate.

(Dependence on the third-party service providers) The Manager will engage the services of various third-party service providers, including the Trainer, to provide services in relation to the Syndicate and the Horse. There are risks attached to the Manager's dependence on those third parties, including (without limitation) the risk that the third-party fails to effectively provide the services and support that such parties are contracted to provide.

5.5 Investor Risks

(Illiquid Investment) An investment in the Syndicate is illiquid. You have no right to redeem your Shares, there is no secondary market for them, and you may not be able to find someone to buy them from you.

(Breach) You will be in breach if you fail to pay an amount when due, in which case the Manager may:

- (a) charge interest on any outstanding amount owing to the Manager;
- (b) deduct such amounts from the proportion of any Income of the Syndicate otherwise due to you; or
- (c) require you to sell your Share(s) either to the other Owners or an outside party if you breach a material obligation, including any payment obligation, under the Owners Deed and fail to remedy such breach when requested to do so by the Manager.

The Manager may bring an action against an Owner to collect all amounts due, including interest, late charges and costs. If a Share is owned by more than one person or entity, such holders are jointly and severally liable for all amounts payable in relation to that Share. The Manager is not obliged to sell the Share and may be unable to do so. The liability for ongoing fees and expenses associated with the ownership of a Share for the Term of the Syndicate may not be avoided by abandoning or surrendering the Share.
